

## Purpose of the Safe Homes Pledge

**What is Safe Homes?** The Safe Homes Pledge is a non-legally binding pledge publicly stating that there will be no underage use of alcohol, tobacco or drugs in your home or on your property. Sponsored by the Eagle County Parents Network, the Safe Homes Pledge Program is currently partnering with several Eagle County Schools and are open to working with all.

**What is Safe Homes not?** The Safe Homes Pledge is not a legally binding document. This is a good faith effort in our mission to change the attitude that underage drinking and drug use are O.K.

**Why Safe Homes?** The Safe Home Pledge is a program to support youth and parents in the prevention of alcohol, tobacco and drug use.
